Gland Pharma :-Established in Hyderabad, India in 1978, Gland Pharma has grown over the years from a contract manufacturer of small volume liquid parenteral products, to become one of the largest and fastest growing injectable-focused companies, with a global footprint across 60 countries, including the United States, Europe, Canada, Australia, India and other markets. We operate primarily under a business to business (B2B) model and have an excellent track record in the development, manufacturing and marketing of complex injectable. This presence across the value chain has helped us witness exponential growth. We are promoted by Shanghai Fosun Pharma, a global pharmaceutical major.

Technical View: The stock had a down trend breakout with strong bullish candle, Structure look positive it is above to form round up structure , RSI divergence indicate buying signal and MACD crossover is supporting trend, Classical rounding pattern structure indicate positive move in near term.
